

WAYNE STATE College of Nursing

GRADUATE PROGRAMS

Expert faculty, long-standing clinical partnerships and deep-rooted connections in our Detroit community combine to create a world-class nursing education with an enhanced focus on addressing health disparities and the unique health care needs of urban populations.

MASTER OF SCIENCE IN NURSING

nursing.wayne.edu/msn

Designed to prepare nurses for advanced practice as a nurse practitioner or in the care of culturally diverse individuals, families and groups in a variety of health care settings, with an emphasis on the unique challenges facing medically underserved populations and urban communities.

DOCTOR OF NURSING PRACTICE

nursing.wayne.edu/dnp

Designed to prepare nursing practice scholars capable of identifying, evaluating, translating, integrating, and applying evidence-based nursing research to clinical, preparing leaders for pivotal roles as change agents in today's increasingly complex health care settings.

DOCTOR OF PHILOSOPHY IN NURSING

nursing.wayne.edu/phd

Designed to prepare researchers and scholars who will lead the profession and advance the nursing discipline. The program provides the distinct knowledge and skills needed to make original contributions to nursing knowledge, driven by the understanding that nursing provides vital services that help individuals, families and communities achieve health.

Focus on your degree – we'll handle your clinical placement

The Wayne State College of Nursing will secure ALL of your clinical placements for you in on-on-one clinical experiences with an assigned nurse preceptor

A national leader

U.S. News and World Report has recognized the Wayne State College of Nursing for offering MSN and DNP programs that are ranked among the nation's best and second highest in Michigan.

Pursue your passion

Eight specialty pathways available for MSN and DNP students, along with five graduate certificate programs.

- **Neonatal Nurse Practitioner**
- **Pediatric Nurse Practitioner-Acute Care**
- **Pediatric Nurse Practitioner-Primary Care**
- **Psychiatric-Mental Health Nurse Practitioner**
- **Advanced Public Health Nursing**

SUPPORT FOR YOUR SUCCESS

We know that pursuing a graduate degree can be costly. We have a number of impactful opportunities available to help you secure financial support for your graduate studies at the Wayne State College of Nursing.

Nurse Faculty Loan Program*

The Nurse Faculty Loan Program (NFLP) was created to increase the number of qualified nursing faculty by providing loans to students enrolled in WSU's MSN or DNP programs. Upon graduation, 85% of the total NFLP loan is forgiven over a four-year period while loan recipients work in a full-time nursing faculty or approved preceptor role.

State funding for psych-mental health nurse practitioners*

The Wayne State College of Nursing was specifically selected by the Michigan Department of Health and Human Services to lead efforts to increase the number of advanced practice psychiatric-mental health nurse practitioners in the state. Thanks to that support, incoming students have access to more than \$30,000 in financial aid to support their education.

Federal funding for psychiatric and family nurse practitioners*

A new Advanced Nursing Education Workforce Grant from the Health Resources and Services Administration provides \$25,000 annually to cover tuition and fees for Wayne State students who plan to become family nurse practitioners or psychiatric-mental health nurse practitioners and work in medically underserved communities.

**Funding is not guaranteed to every admitted student. For more information about availability and eligibility, contact the Office of Student Affairs at [313-577-4082](tel:313-577-4082) or nursinginfo@wayne.edu.*
