OFFICE OF HEALTH RESEARCH
INTERNAL AWARDS APPLICATION

Principal Investigator: _____

Study Title: _____

Award Requested:

Proposal Deadline:

Description of How the Proposed Research is Consistent with the Focus of the Specific Research Award:

Specific Aims/Purpose: Provide overall objective or long-term goal of the proposed research and the specific aims, the research questions and/or hypotheses to be addressed.

Significance: Describe the importance of the problem, how scientific knowledge will be advanced, and the effect the study will have on concepts, methods, technologies, treatments, services or interventions that drive the field.

Innovation: Describe how the proposed project challenges existing paradigms or how the application challenges and seeks to shift current research or clinical practice paradigms by utilizing novel theoretical concepts, approaches or methodologies, instrumentation or interventions.

Approach: Describe methodology and analyses.

Environment: Describe the resources available to support the research project.

Investigative team: Describe the complementary and integrated expertise of investigators.

Timeline: Describe plans for completion of the project within 1 year.

Plans for seeking future external research funds: Describe the way the support would improve the recipient's opportunity for obtaining extramural funding for research and provide prospective funding agency(ies).

Associate Dean for Research

Date

Budget Instructions: A budget and budget justification are also required (see *CON Faculty Research Award Budget Worksheet*). Only expenses essential to the conduct of the proposed research will be considered for funding. *Expenses must be incurred within the one-year grant period.* If costs of proposed activities exceed the amount of the award, please indicate how the remainder of the costs will be covered.

Funds will be made available once validation of IRB approval has been submitted to the OHR.

The OHR Interim-Final Research Progress Report is due 6 months following the award date and a final project report is due at the one-year project completion.

Submission of application: Send completed form to the OHR Grant and Contract Administrator.
