Dedication

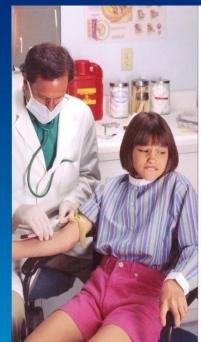

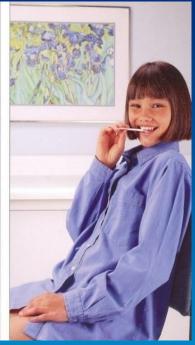

Richard William Slowey May 30th 1990 – September 8th 2014

Why Saliva?

- ✓ Most easily collected specimen?
- ✓ Non-invasive
- ✓ Most analytes present
- √ Easy disposal
- ✓ Ease of transportation
- ✓ Better indicator of disease?
- ✓ Religious / cultural considerations
- ✓ Cost effective
- ✓ Patient preference

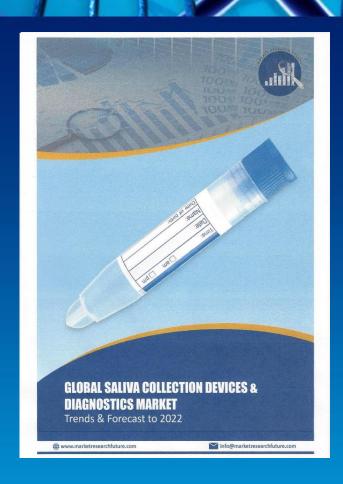

Market Statistics Indicate a Rapidly Growing Market !!!

- 2017 First Market Report strictly dealing with market size and revenue forecasts for Saliva Collection Devices and Diagnostics [\$2.56 Billion by 2022]
- 2017-Nutrigenomics Market to be \$17.3 Billion by 2023 [Saliva segment, \$10.6 Billion]
- 2019 Saliva Collection- Consumer ReportsReview.com – No figures but "large growing market"- 6 Companies [Quest, OraSure, Oasis, etc.]
- 2019 Exosome Dx / Rx -\$34.7 MM in 2018 to \$186.2 MM in 2023, CAGR 40%
- Ancestry.com- 15 Million Saliva Specimens Processed
- 23andMe- 8 Million Customers

Market Statistics Indicate Rapidly Growing Market!!

- 2018 Market for Direct-to Consumer Genetics from \$99 MM US today to \$310 MM [2022]
- 2017 Liquid Biopsy Diagnostics
 Market increasing from \$580 Million in 2016 to \$2.05 Billion in 2022, CAGR of 23%
- June 2018 Poll- Almost 33% of Americans have considered genetic testing [100% saliva]

Exponential Growth Caused by COVID-19

- MicroGenDX Laboratories obtains FDA EUA approval for 24-hour saliva test [RT-PCR] 4/4/2020
- 2. Rutgers University / Infinite Biologics gets first FDA EUA Approval for saliva high throughput method connected to Thermo Fisher RT-PCR 04/13/2020
- 3. Curative receives FDA EUA for oral fluid test 04/19/2020
- 4. FDA announces changes in registration requirements 05/19/2020
- 5. MLB adopts saliva COVID-19 Testing 05/20/2020
- 6. Chronomics [UK] Saliva COVID-19 Test Launched 05/20/2020
- 7. Phosphorus gets FDA EUA for home saliva test [collection] 06/09/2020
- 8. Sysmex Japan gets approval in Japan with BGI RT-PCR Kit 06/10/2020
- 9. Yale / Saliva Direct working with the NBA 06/24/2020
- 10. CRL / OraSure get EUA with RT-PCR 07/31/2020
- 11. Approval for Yale / Saliva Direct 08/17/2020

Exponential Growth Caused by COVID-19

- 1. U of Illinois-Urbana- Champaign FDA EUA approval granted 08/20/2020
- 2. OraSure / MiraDx get EUA for RT-PCR Kit 09/04/2020
- 3. Spectrum DNA gets FDA EUA for saliva collection kit 10/19/2020

NIH RADx Rapid Acceleration of Diagnostics Program is providing Funding for a multitude of COVID-19 Test Kits, some of which will use saliva specimens

Estimates of Tests to be performed using saliva specimens to be as high as 4MM Per Day
